2

As the Court will recall, this officer last contacted the Court on October 17, 2005, informing the Court of Mr. Sherman's continued use of marijuana and oxycontin with his last use being on August 24, 2005. The Court requested to be notified of any future drug use and that action would be taken against Mr. Sherman.

Mr. Sherman submitted to urinalysis on September 29, October 5 and 13 which were negative. He failed to report on October 20, but submitted to urinalysis on October 25 which was negative. On November 9, 23 and 30, he was positive for marijuana and oxycontin. His last urine specimen taken on December 8, 2005 was negative. This officer confronted Mr. Sherman about this, and he denied using. He did admit he was around people who were smoking marijuana. This officer discussed him entering a halfway house which he did not want to do. This officer also sent him Probation Form 49 requesting that a hearing be waived to have his conditions modified to enter a half way house, but there has been no response.

At this time, this officer is requesting that the Court issue a summons for Mr. Sherman to appear in Court on revocation proceedings.

I declare under penalty of perjury that
the foregoing is true and correct.

Approved,

Executed on December 20, 2005
